My name is Jeff and I am the founder and past president of the Kitsap County Sheriff's Benevolent Foundation (www.kcsbf.org). We have partnered up with a startup company called ActionGolfers to run a 2 man best ball tourney at Trophy Lake. It's open from June 17-27 and all of the proceeds go to the KCSBF Scholarship Fun.

We have a mutual friend, Myrle Carner, who suggested that it would be good for you and I to link up on this event and for future world domination via golf. And I know I can trust you because Myrle mentioned that you're an old motor....me too brother!

My cell is 623-262-0954. I'd love to chat if you want to give me a buzz. I've attached a flyer that has more info if you like to help spread the word. This is the first event so we can use any help getting golfers to sign up.
